★ NARKO-NE ; Association for Prevention of Addiction, Sarajevo

November 2022 — June 2023

"Guiding stars" (former name: Educational work with children at risk) is one of the projects implemented by NARKO-NE since 2010. Work with children is realized through interactive workshops.

- Planned and facilitated educational workshops.
- Organized engaging events such as masquerade parties and themed celebrations to foster social interaction and creativity among children.
- Collaborated with team members to ensure the successful implementation of various programs and initiatives aimed at promoting children's social skills development.
- Provided tutoring support to children as needed, assisting them with academic subjects and homework assignments.
- Organized and photographed Volunteer Day event capturing memorable moments of volunteer engagement.

Humanity in Action-Game Changers, Sarajevo

March 2022 — June 2022

Implemented educational project utilizing board games to engage youth in Bosnia and Herzegovina, focusing on gender equality and women's empowerment within civic engagement and public policy domains

- Collaborated with team members to design and create an engaging board game centered on gender equality and empowerment.
- Organized promotional events in schools and other venues to raise awareness about the game and its educational objectives.
- Played a key role in facilitating workshops and activities aimed at teaching young people about gender equality and civic engagement through gameplay.

Campaign & Film Title: "Djetinjstvo nije izbor nego pravo!" (Childhood is not a choice but a right!), Sarajevo

October 2019 — February 2021

Secured second place in "*Raising my voice for my right*" competition with short film "*Djetinjstvo nije izbor nego pravo!*" (Childhood is not a choice but a right!), addressing violation of children rights. Film success prompted organization of conference with speakers from "*Hope and Homes for Children*", UNICEF BiH and many others. My responsibilities were:

- Acted as the main organizer of the conference, overseeing logistics, scheduling, and coordination of speakers and participants.
- Wrote and directed the short film, responsible for conceptualizing the storyline and directing the production process.
- Designed promotional materials including posters, invitations, and social media assets to generate awareness and interest in the conference.
- Created and implemented a cohesive branding strategy for the event, including the development of a logo, tagline, and other visual elements.
- Assisted with editing of the short film, contributing to post-production processes and finalizing the content.
