Employment History

UX/UI Designer at Encode, Sarajevo

January 2025 — September 2025

- Collaborated with the team to design and implement digital products
- Participated in the full design process, including user research, wireframing, prototyping, UI design, and usability testing
- Took the lead as the only designer on several smaller projects
- Created visual assets including social media posts, marketing posters, and promotional content to support campaigns
- Was mentored by an experienced senior designer who provided valuable knowledge and feedback

Experience

UX/UI Team Coordinator at Plus Ultra, Sarajevo

April 2025 — Present

- Coordinated a team of volunteer designers by assigning tasks, tracking progress, and reviewing completed work
- Mentored and trained volunteers in UX/UI design principles, providing guidance, support and feedback
- Maintained consistent design standards across the organization by collaborating with teams to implement web pages and align styles
- Designed and prototyped websites using Figma; produced visual content and marketing assets in Canva

Volunteer UX/UI Designer at Plus Ultra, Sarajevo

November 2024 — Present

- Contributed to the design and development of web pages and digital materials as part of the UX/UI team
- Participated in the full design process including user research, wireframing, prototyping, and interface design
- Collaborated with team members and other departments to ensure cohesive and user-centered design solutions

NARKO-NE ; Association for Prevention of Addiction, Sarajevo

November 2022 — June 2023

- Planned and led educational workshops for children
- Organized engaging events such as masquerade parties and themed celebrations to encourage creativity and social interaction
- Worked with team members to successfully implement programs promoting children's social skills development
- Provided academic support by assisting children with tutoring, homework, and learning activities
- Organized and photographed Volunteer Day event capturing memorable moments of volunteer engagement
