Employment History

Freelance UX/UI and Graphic Designer

May 2025 — Present

- Provided UX/UI and graphic design services for digital and print projects.
- Used Figma, Adobe Photoshop, Illustrator, InDesign, and Lightroom.
- Transformed concepts and wireframes into polished, production-ready designs.

UX/UI Intern at Atlantbh, Sarajevo

Mar 2026 — Jul 2026

- Designed a CMS bulk import feature, from research through high-fidelity Figma designs.
- Conducted user research and competitor analysis, and created user flows, wireframes, and prototypes.
- Collaborated with a Product Management intern to design three new features for an existing product.
- Participated in design reviews with other interns and refined designs based on feedback.
- Presented design solutions and supported the product design process from concept to final prototype.
- Received mentorship and feedback from senior and lead designers.

UX/UI Designer at Encode, Sarajevo

Dec 2024 — Sept 2025

- Collaborated with the team to design and implement digital products.
- Participated in the full design process, including user research, wireframing, prototyping, UI design, and usability testing.
- Led several smaller projects as the sole designer.
- Created visual assets, including social media posts, marketing posters, and promotional content.
- Worked under the guidance of a senior designer who provided valuable feedback and mentorship.

Experience

UX/UI Team Coordinator at Plus Ultra, Sarajevo

Apr 2025 — Nov 2025

- Coordinated a team of volunteer designers by assigning tasks, tracking progress, and reviewing completed work.
- Mentored and trained volunteers in UX/UI design principles, providing guidance, support, and feedback.
- Maintained consistent design standards across the organization by collaborating with teams to implement web pages and align styles.
- Designed and prototyped websites in Figma and created visual content and marketing assets in Canva.

Volunteer UX/UI Designer at Plus Ultra, Sarajevo

Nov 2024 — Present

- Contributed to the design and development of web pages and digital materials as part of the UX/UI team.
- Participated in the full design process, including user research, wireframing, prototyping, and interface design.

- Collaborated with team members and other departments to ensure cohesive, user-centered design solutions.

NARKO-NE ; Association for Prevention of Addiction, Sarajevo

Nov 2022 — Jun 2023

- Planned and led educational workshops for children.
- Organized engaging events, such as masquerade parties and themed celebrations, to encourage creativity and social interaction.
- Worked with team members to implement programs that supported children's social development.
- Provided academic support through tutoring, homework help, and learning activities.
- Organized and photographed Volunteer Day, capturing memorable moments of volunteer engagement.
